Investing for Success

Under this agreement for 2017
Wooroolin State School will receive $24,085*

This funding will be used to

- Raise educational outcomes of Years 3 and 5 students so that 100% of students achieve the National Minimum Standards (NMS) in NAPLAN (reading).
- Develop evidence-based plans for students at risk of not achieving the NMS, and plans to extend students who may achieve in the Upper 2 Bands (U2Bs) in NAPLAN (reading).
- Improve oral language, and early literacy and numeracy skills in pre-preps through the continuation of the Wooroolin Community Playgroup and connection with age-appropriate pedagogies.

Our initiatives include

- Providing adequate opportunities for the principal and staff to deliver a case management approach to reading; whilst developing staff capability to design, monitor and review effective learning goals and embed constructive feedback in the teaching and learning cycle (Every Student Succeeding).
- Using proven strategic tools and evaluation strategies to identify, support, monitor and review a variety of initiatives in the teaching and learning of reading (Evidence Hub).
- Using a collaborative approach to research, develop and deliver quality educational opportunities and learning programmes for students in the early years with a focus on age-appropriate pedagogies whilst strengthening affiliations with local pre-prep providers, the Playgroup Association of Queensland and the Wooroolin Community Playgroup (Supporting Successful Transitions).

Our school will improve student outcomes by

- Providing TRS for teachers/principal to engage in professional learning, collaborative data enquiry, action learning and a feedback cycle leading to the creation of individual data profiles to inform learning plans and effective programmes for students $8,085
- Employing an STLaN to promote age-appropriate pedagogies at the Wooroolin Community Playgroup $6,000
- Engaging a teaching professional to release the principal as instructional leader in order to grow knowledge and build staff capacity around the 2017 initiatives $10,000
