Well, our NAPLAN week has finally come and gone. Students put in their best efforts so now we wait until next term to receive their results. Good luck everyone! However, we do know that children have many attributes and talents, not just academic. We were reminded of this in a Facebook post which was popular last week. This letter to the Students from Year 3 was written by a school in Queensland and is attached here. Following on from this and in light of recent training in Kidsmater, we would like to create an ‘I am Special’ board showcasing all the wonderful things our students can do. This aligns with the Kidsmater philosophy of ‘Every Face has a Place’. Please look out for this in the coming weeks and if you know (and would like to share) your child’s ‘secret’ talent, please let us know.

We have a few events coming up in the next few weeks. Our first Parenting Group will be held this Friday and any parents (or grandparents) who wish to join Justin Crick in the Library should come along for a coffee and a chat from around 9am. Please also mark your calendar for Thursday May 28 (next Thursday) when we will be celebrating the Australia’s Biggest Morning Tea (to raise funds for Cancer Council), running the sponsored Fun Run and announcing the winner of our Baby Photo competition (we will continue to receive photos until Friday this week). Parents – please come in and have a look. You are also welcome to have a guess.

Winter Carnival for our Years 4-6 will be held on Friday 29 May. Students are practising touch footy skills this week in Smart Moves to support their level of participation in this. After Winter Carnival practices, we will then commence ball game practice for Athletics carnival in Term 3. Winter Friday Feast will continue with soup on the menu to replace our summer ice blocks. This is going well, with many students enjoying the little treat on Fridays. Student Council are wondering if any parents might be interested in baking a sweet treat from time to time which they could then add to their menu.

The important event this week however is SCHOOL PHOTOS. These will be taken from 9am tomorrow. Please ensure your child is wearing full uniform and of course, neat and tidy hair will make the photos all the more appealing. If you have students in Playgroup, we would love to take a first Wooroolin Playgroup photo to add to our album.

Please note that we have not had sufficient support for our band to attend the Goomeri Pumpkin Festival and have had to withdraw this offer.

Yesterday afternoon Mr Boundy, Principal from Crawford and I had our first discussions on Senior Camp. This year’s camp will be open to students in Years 3-6 and will be a 3-day camp to Brisbane. This will be planned for late in term 4. Costs are not yet known, but we are working to keep these to a minimum, but still maintain fun activities for our students. Activities could include a day at Southbank with visits to the Science Centre, Gallery of Modern Art (GOMA), Museum and beach area; a visit to the Brisbane Planetarium; and (hopefully) some outdoor activities at Kangaroo Point.

Staff have recently discussed our After-School Bus Procedure and have updated this. This was discussed with bus students yesterday. Your support in this would be appreciated. A copy is attached.

NEXT GENERAL MEETING
Tomorrow!—Thursday
21 May —3.15pm

Parents associations bring vitality and strength to the school community. Please consider being an active member of our P & C Assn by regularly attending our meetings. Remember this is a voluntary organisation and all funds raised go directly to benefit your children.

The Parent Library is now up and running. All parents & carers are encouraged to come in and have look. Books may be borrowed for 2 weeks.
On Friday in our maths lessons we do lots of different and fun maths in groups. This week we tried to go shopping and listen to instructions, we solved puzzles, we made buildings out of blocks, played reading eggs on computers and talked to Miss Mason about shapes.
